Gross Weight (kg)	5,5
Qty Per Box	1
Colli Per Item	1

MarketingText

A side table makes your lounge- or garden set complete and is also very useful as an extra table for your snacks and drinks. When you have an aluminium garden set you can easily combine it with an aluminium or wooden side table. A wicker garden set can also be combined with a wooden side table, but there are also different types and sizes of wicker side tables available.
