The Nata and Ynes table blends natural warmth, modern design and strong character into one striking centerpiece. Crafted in oak veneer and available in natural or walnut, it brings refined elegance to any interior. The central pedestal base creates a light, open look and offers maximum seating comfort, while the bold, expressive wood grain makes every Nata table truly one of a kind.

It fits perfectly in both contemporary interiors and cosy, warm spaces, ideal for anyone seeking a statement piece that exudes quality and sophistication.
