The Dubai lounge set is inspired by our popular Pisang lounge set but is entirely made of aluminum, creating a lightweight, durable and low-maintenance design. The set features a topo-colored frame, stone-colored weaving and soft ensis-colored cushions, resulting in a modern, stylish and comfortable outdoor lounge.

Thanks to its timeless design and harmonious colors, the Dubai lounge set fits perfectly in both classic and contemporary gardens and terraces and can be combined with other topo-colored items from our collection

for a complete and luxurious outdoor setup.
